### MEMORY VERSE

22 And Jesus, answering, said to them, Have God's faith.  
 23 Truly I say to you, Whoever says to this mountain, Be  
 taken up and be put into the sea; and has no doubt in his  
 heart, but has faith that what he says will come about, he will  
 have his desire.  
 24 For this reason I say to you, Whatever you make a  
 request for in prayer, have faith that it has been given to  
 you, and you will have it.

-Mark 11:22-24 (BBE)

### BE SURE TO SPEAK IT!

You know, the subject of faith is one that quite a lot of people claim to have gained expertise on, but in all honesty, they actually know so little about it. Little wonder Bro Paul warned us against thinking we know so much when in reality, we know so so little. Checking 1 Corinthians 8:2, you would say in this generation, that Apostle Paul was giving us a 'shade'.

Do you know that when God said He gave us everything of Himself at Salvation, He really meant it? When God gave us Christ, everything that was available in God was made accessible to us, this is not a joke. With Christ in us, as Colossians 1:27 tells us, we are able to express everything God represents because in Christ dwells the fullness of the Godhead.

In giving us everything, God made even His faith available to us. His own faith ooo. Yes, His faith. The memory verse of today makes it so clear: God's kind of faith is available to us. All we've got to do is to lay hold on it and use it(www. thatsall.com).

What then are we missing? **The missing factor between the potential faith of God that we possess as believers, and the manifestation of the same, is the expression.** Back to our memory verse, after Jesus admonishes the disciples to have God's faith, He goes ahead to tell them how to express it. **By Speaking!!! By Saying!!! God's faith is expressed in His Speakings.**

The challenge is this: while we have many **praying** believers, we lack **saying** believers. It is good to pray but it is really good to declare. "...declare a thing, and it will be established for you": You remember that scripture, right? It is in Job 22:28, for those who do not remember. You must move from 'just praying', to making declarations concerning the things you prayed about; declare words! Go ahead!. Declare those words!!! For faith is a confession (Hebrews 10:23): it is something we profess i.e. say out with our mouth - **and confession is not expressed in silence but in a public declaration.**

Do you know how police officers get a confession out of a person? They get the person to say it out. If you think you can make confessions under your breath, "dearly beloved", you lie!

You have got to say it out loud. Be sure to speak it. Speak it over and over and over until you see the results. The salvation to your current situation is tied to your consistent declarations. A man of faith is not a silent man. He speaks and he says. You think all the "Jesus saids" in the Bible are mere illustrations? No, they are examples for us. Jesus said and so, I say because I have His faith.

Words are thoughts that are expressed by the mouth. Do not let your thoughts remain thoughts, express them in words.

**BE SURE TO SPEAK IT!!!**

## MEDITATION

**"The challenge is not  
in 'believing',  
it is in 'not  
saying'"**

. The problem is that you've not learned 'how to say'.  
Whatever you believe, you must say it.

2 Corinthians 4:13b (GNT):

**"In the same spirit of faith we also speak because we believe"**
