Kingdom International School of Life And Ministry exists primarily to train everyone who intends to be an effective tool in the hands of God.

“An untrained Believer is a risk to the plan of God on the earth”

“Training is the gap between the ‘present you’ and the more effective, impactful and mature you”

Introducing our PROGRAMS FOR THE NEW SEASON

A. SIX MONTHS INTENSIVE TRAINING

This half year basic Bible School journey is our short-term Kingdom Bible School experience. The six months program is a more concise approach to the two-year Bible School experience (first year - basic teachings and second year – advanced teachings). This program pulls its teachings from a rich curriculum of courses from our Basic and Advanced Kingdom Bible School.

We have turned out two set of graduates from this training in the 2022 and 2023 installment, and they all testify to the impact of this program in radical spiritual growth, transforming insights from God’s Word, mental shift in dealing with life’s dynamic demands and access to special sessions with our Man of God.

We gladly invite you to join in this next SMIT program – **January to June 2024.**

B. DISCIPLESHIP TRAINING DELUGE

In pursuit of fulfilling the final words of our Lord JESUS CHRIST just before He ascended into Heaven, as seen in Matthew 28:18-20, this program is focused on raising disciples for Christ and giving them the same mandate to go out and disciple others through the doctrine and life examples of our Chief Discippler JESUS.

This program is focused on raising Kingdom Ambassadors. It equips partakers with vital ambassadorial teachings for Kingdom influence ranging from 8 to 10 plenary sessions. The SOAA program is designed to stir up Men and Women for Kingdom responsibility (**KINGDOM INFLUENCE & TAKEOVER**) in their respective sphere of Influence.

Every Season has a unique theme considered; our first instalment in 2022 focused on the role of Believers as Kingdom Ambassadors. 2023 was focused on the African continent with the theme ‘The Curse of Africa’ What is it: Mind or Matter?

This Season’s Senate experience runs from **Saturday 8th - Sunday 30th June, 2024** (Saturdays and Sundays only).

D. SUMMER SPOUDAZO

Our special children and young adults summer boot-camp. Catering for the young ones between the ages of 10 to 24 years. The future of the earth obviously lies in the hands of the young generation. Our goal through Summer Spoudazo is to partner with God in nurturing them effectively for a thriving ride through the years of life’s adventure ahead of them.

Our primary tool for training these young ones remains God’s word, through the rich teachings at the boot-camp. The experience is made up of a lot more, including; Group activities, Bible quiz & debate competitions, various seminars (life, health, career, relationship, etc.), skill acquisition, sports and games, talent hunt segments and a whole lot more. The partakers of this program thus far have recorded tangible improvements at the conclusion and gracefully look forward to the next edition.

Summer Spoudazo 2024 is scheduled to hold from **Monday, 12th August to Sunday, 1st September, 2024.**

E. SPECIAL WORKSHOP PROGRAM

A workshop is simply an interactive meeting in which a group of people go through a series of activities to solve a problem or work on a task. Workshops are often led by a facilitator and can range from a couple of hours to multiple days. For us, at KISOLAM we see the importance of taking varied aspects of the Kingdom Man which may be posing a threat to his fulfilling God's counsel in totality, and through a workshop/ seminar approach equip them with relevant knowledge, pointing the partakers in the right direction as they continue on their unique Kingdom adventure on the earth.

We are scheduled to hold two Workshop's this Season
